

ALMOND

From our own farm
with a lots of flavours

Explosion
of flavours

Mediterranean
Almonds

Tasty

From
our farm
in Portugal

Regenerative
agriculture

We are a premium **almond farmer**

Our dedication to sustainable farming has led us to specialize in premium regenerative Mediterranean almonds, harvested and processed with the utmost care. On 1.300 hectares of farmland located across five properties throughout Portugal's Fundão and Idanha-a-Nova municipalities, we use cutting edge precision agriculture techniques alongside social responsibility practices for a truly holistic approach that benefits everyone involved!

Our certifications:

Almonds can be a healthy and tasty snack.

WE PRODUCE

Our mission is to provide perfect almonds, cultivated with respect in our fields in Portugal, through regenerative agricultural practices, offering naturalness, flavour, refinement, and originality.

OUR PROMISES

We sell associated moments like sharing, celebrations, and health care.
We sell flavours, textures and a unique blend of tastes.

Almond with flavours

With our unwavering commitment to quality and innovation, we are on a mission to elevate the snacking experience to new heights. We offer a delectable blend of wholesome nutrition and indulgent pleasure by combining the natural goodness of premium Mediterranean almonds with a tantalizing range of handcrafted flavours.
